

About the Project

Overview

Contract Information

Project Timeline

Planned improvements to continue widening **Canyon Road East from 208th Street East to 200th Street East (CRP 5764)** include:

- Extending Canyon Road East from 200th Street East to 208th Street East with one lane in each direction and a two-way left-turn lane.
- Constructing concrete curb, gutter and sidewalk on the west side.
- Constructing an enclosed storm drainage system, stormwater treatment and storage facilities.
- Adding a traffic signal at the intersection of 208th Street East.
- Modifying the existing signal system at 200th Street East intersection.
- Adding street lighting.

Funding

2,000,000	TIB – Urban Arterial Program (State)
9,175,000	County – Real Estate Excise Tax (Local)
11,175,000	TOTAL
